

EBSCO Discovery Service (EDS) A to Z List of E-Resources

1. Access EBSCO Discovery Service (EDS) at: <http://research.msl.mt.gov/> and query the Discover It! search box.
 - a. This example uses keywords **artic grayling**.
 - A user may also simply click the search button below the box without providing any key words for gaining access into the EDS results page.
2. Locate the A-to-Z List of E-Resources at the top right horizontal menu bar and click on the link.

- a. The **Database** (as shown in the screen shot on the next page) tab lists all the individual subscription databases. By clicking on only one database title a user will only be able to search that particular database.
- b. Note: Not all databases are shown in the screen shot below.

- c. Databases are displayed below where the journal title is found. Access to the journal is displayed below the title.

The screenshot shows the Montana State Library's A-to-Z List of E-Resources. The page has a blue header with the library's logo and name. Below the header is a navigation bar with tabs for Databases, Titles, Subjects, Search, Citation Finder, About This Site, and a DocLine Search Box. The main content area shows search results for 'Agricultural Economics'. A search bar at the top of the results section contains the text 'Agricultural Economics' and a 'Search' button. Below the search bar are radio buttons for 'All Titles', 'Journals Only', and 'Books Only'. The results are titled 'Titles where subject exactly matches 'Agricultural Economics': 9'. The first result, 'Agricultural Economics Research Review', is highlighted with a red box. A callout box points to the 'Business Source Elite' link, stating 'Shows subscription access (2007 to present)'. The second result, 'American Journal of Agricultural Economics', has a callout box pointing to its 'Business Source Elite' link, stating 'Embargo: 1 year = no access for a year to a new released article.' Other results include 'Farmer Cooperatives', 'ICFAI Journal of Agricultural Economics', 'Italian Journal of Agronomy', 'IUP Journal of Agricultural Economics', 'Land economics', and 'Review of Agricultural Economics'.
